Further Information	

Host Family
To make your new experience even exciting, we are giving you the chance to stay and get to know more about Indonesia with a host family. They are the students of Faculty of Medicine and Health Sciences of Muhammadiyah University of Yogyakarta who live nearby and have been selected by the Committee of ITMSS 2019. They will provide you with meals throughout the experience, transportation, and of course, a house to stay. If you are a type of person with a big curiosity and have a big interest in learning other cultures, a host family will absolutely be the best choice of place to stay. Be more connected and feel Indonesia's atmosphere of warmth and friendliness by living with a host family.

Guest House
We are going to provide you with a private home that you will share with some other participants that would also like to stay in a guesthouse, or even with another tourists (in some cases). We are going to paired you up with one of the participants to be your roommate. All the facilities that are provided in the guesthouse will be a shared-facilities, including the bathroom. Approximately four to six bedroom will be provided for each guesthouse.

Hotel
We will also provide you with two or three-star hotel that is close enough to where the event is being held. You may or may not be paired up with one of the participants that has the same interest of place to stay as your roommate.

Hostel
Almost feels like a hotel, but there are some differences. You might or might not have to share the room not only with the other participants that has the same interest of place to stay, but also with another people, who you may or may not know, who would also like to stay in the same hostel as yours. The facilities that are

provided is usually a shared-facilities, including the bathroom. The bed that they provided would be a bunk-bed, and one room could approximately fit for eight people.

- **Please keep in mind that a certain alternative place to stay, *guesthouse and hostel*, will be adjusted by the number of participant who chose and do need to stay in that particular place to stay.**
- **If you eventually did not have the chance to stay with a host family, the committee of ITMSS 2019, will change your place according to your priority list.**
- **There will be an additional cost if you stay in a Guest House, Hostel, or Hotel, that will be informed later on.**

8. SOCIAL PROGRAM

We provide you social programs which you can visit some incredible tourism and cultural objects around Yogyakarta-Indonesia together along with other participants. This social program fee is not included in registration fee. It costs **150 EUR**. If you want to join this social program, you have to pay and transfer it with the registration fee : **590 EUR in total**.

Do you want to join this social program? ☐ **Yes** ☐ **No**

9. LOCAL GSM NUMBER

We will provide a local GSM number to each of ITMSS students. This way is intended to conduct an easier communication between students, the organizing committee members, and home stay parents. We will also put in our consideration about the most competitive international call tariff before we choose which provider to use.

Will you bring your mobile phone during the program? ☐ **Yes** ☐ **No**

Indonesia GSM networks range is available to use in only GSM900/1800 and 3G network. Please check your tri-band feature, while quad-band would not have any problem to run in any countries.
