

Personal information

Dr. Niloofar Shadman

- Specialist in Esthetic and Restorative Dentistry from Tehran University of Medical Sciences,1385.
- Associate professor in Esthetic and restorative dentistry, department of Esthetic and Restorative dentistry, Kerman University of medical sciences.
- Supervisor of post-graduate students in department of Esthetic and Restorative dentistry, Kerman University of medical sciences.
- Some published articles:

Shadman N, Farzin Ebrahimi S, Mollaie N. Sealing of adhesive systems in ferric sulfate-contaminated dentinal margins in class V composite resin restorations. *J Dent Res Dent Clin Dent Prospects*. 2016;10(1):17-22.
