

CURRICULUM VITAE (CV)

Dr. Elaheh mortazavi lahijani , MSc. Specialist in Esthetic and Restorative Dentistry

PERSONAL HISTORY

Date and Place of Birth:	April 24, 1967, rafsanjan, kerman, Iran
Citizenship	Iranian
Home Address:	Kerman, Iran
Phone Number:	+98 341 32119023
Fax Number:	+98 34132118073
Mobile Phone:	+98 9132904345
E-mail addresses:	emortazavil @yahoo.com

EDUCATIONAL BACKGROUND

- | | | |
|---|-----------|---------------------|
| • shiraz University of Medical Sciences | 1984-1991 | Dentistry |
| • shiraz University of Medical Sciences | 1992-1995 | Operative dentistry |
| • Iranian Board of Operative dentistry | 1995 | |

AREAS OF RESEARCH INTEREST

- Microleakage of restorative materials
- Adhesion to tooth structure and different substrates
- Color stability of composites
- Bond strength tests (shear,)

CURRENT RESEARCH TITLES

- Dental Caries
- Bonding of composite & amalgam

PROFISSIONAL SOCIETY MEMBERSHIP

Member of Iranian Academy of Cosmetic and Restorative dentistry 2008-Present
Member of Iranian Dental Association 2005-Present

PROFESSIONAL EXPERIENCES

Head of Operative Dentistry department ,faculty of dentistry , kerman medical university of science 2010-Present

ACADEMIC HISTORY

- Assistant Professor 1995 - present

PUBLICATIONS

„

1. Shadman N, Ebrahimi SF, **Mortazavi E**, GhaderiA. Shear bond strength of different adhesive systems to normal and caries-affected dentin. J Oral Health Oral Epidemiol. 2015; 4(2):1-7.
